

Nishicon 2020 Dealer information.

In this document you can find the information for dealers at Nishicon 2020. If you have any questions or remarks you can contact us at dealers@nishicon.nl or for general questions at info@nishicon.nl.

During Nishicon 2020 you can always contact a staff member or a gopher. During the opening hours of the dealerroom, the Dealerroom Staff member or a replacement gopher will be present in the dealerroom.

Beside this document you can also find the **sign-up document** and the **online sign up form** on our website. Either one of these needs to be completely filled in to sign up. Our preference lies in using the online form. After signing up you will receive a confirmation by e-mail, and you will get your dealer contract and invoice as well. In the sign-up form you will also find all prizes.

The dealer contract needs to be read and signed, and sent back to us.

Next to this contract, our house rules also apply. These can be found on our website, www.nishicon.nl, under 'house rules'.

We hope to have a pleasant cooperative and successful weekend at Nishicon 2020.

Opening & closing hours.

Nishicon 2020 will be held on 2 & 3 May 2020. The opening hours of the dealerroom are:

Saturday 11:00 - 19:00

Sunday 10:00 - 18:00.

Dealers can enter the dealerroom on Saturday at 7:00, to set up their stand.

At 18:00 on Sunday dealers can start breaking down their stands. It is of course possible to start sooner if desired.

Sunday at 20:00 the dealerroom needs to be empty and clean again.

It is possible to unpack the Friday before Nishicon in accordance with our dealerroom manager. If you desire so, contact us as dealers@nishicon.nl

Prices.

All prices can be found on the sign up form. Dealers can order a number of meters of tables and/or free space, as well as one or more dealer tickets. Ticket prices are, just like our regular visitor tickets, dependent on when you order your booth.

Map.

Before Nishicon starts all dealers will receive a map of the dealerroom by e-mail. Dealers will be spread out over our dealerroom on the ground floor. The dealerroom is easily accessible for (un)loading.

Tables are 80 cm deep, and can be ordered per whole meter wide.

Hotel rooms.

For Nishicon 2020 we have reserved several room of the hotel itself for dealers. These rooms are the same arrangements as our guests have. The link through which you can book will be e-mailed upon request. This link will go public on our site several weeks after dealers will have had the opportunity to book. When the link is published you can simply book through that link, which can be found on our site:

<http://www.nishicon.nl/location>

If all the rooms are sold out you can contact us for any additional rooms.

More information on the rooms can be found through the link.

Consumptions.

The location of Nishicon 2020, Theaterhotel, has its own catering.

Dealers cannot sell their own food and drinks for immediate consumption, but it is possible to sell small amounts of Japanese snacks, providing they are not consumed at the convention.

Bootlegs and goodie bags.

It is strongly forbidden for any dealer to sell any bootleg merchandise. We value this as very important.

Bootleg products are any products created without an official license of the legitimate owner and which are copies of original, existing products, like DVD's, clothes, figures and other products. These products are usually cheaper and of lesser quality. Each product needs to have a copyright with the company who owns the name.

We will be vigilant about this, and we will control the merchandise of all stands regularly.

Wij zullen als organisatie hier dus waakzaam op zijn, en de te koop aangeboden goederen bij iedere stand controleren.

If bootlegs are found at a dealer stand, we will ask only once to remove them. If you refuse, or if you are caught a second time, you will be asked to leave the premises. You will not get a refund for the dealer stand costs.

Because it is impossible for our crew to check goodie-bags for bootlegs, goodie-bags will be prohibited completely!

Safety deposit & cleaning up.

To make sure the dealerroom is clean and empty Sunday at 20:00, all dealers must pay a security deposit of € 5,- per table, with a maximum of € 25,-. This deposit will be refunded as the dealer leaves the location and has left his area clean and empty. If the area is not empty and clean at 20:00, the location, Theaterhotel, will charge a fee for cleaning. These will be paid by us using the deposit.

Because the location does not have enough transport carts it is recommended to bring your own, if needed, to ensure you can pack up and leave on time.

Refusals and reserve list.

Stichting Nishi reserves the right to refuse registrations from dealers on one or more of the following grounds:

- The dealer has violated rules at an earlier Nishicon event.
- Because of the diversity of dealers. To guarantee a good distribution between artists, figure sellers, manga sellers, clothing sellers, and other sellers.
- The dealer only or primarily sells products that do not fall within the target group of the convention.
- The dealer room is full.

Dealers can be placed on the reserve list instead to being refused. In the event of cancellations, a dealer can be offered a place in the dealer room at a later stage.

Cancelling and changing.

From 1 month before the convention, April 2 2020, it is no longer possible to cancel or to reduce the number of tables / tickets, subject to exceptions. From 2 weeks before the convention, April 18 2020, we can not guarantee that additional tables can still be ordered.
